A W A R D S

1. The Ontario Ministry of Agriculture and Food and the Canada Department of Agriculture award a basic plaque, engraved with the member's name and year, to all those completing a project for the first time. For each year after, the member receives a small plaque with the year only engraved to be attached to the basic plaque, indicating the member's years of enrolment in the 4-H program.
2. The Western Ontario Breeders Inc. awarded an engraved ball point pen earlier this year to the 4-H members.

The Staff at the Ontario Ministry of Agriculture and Food wish to thank the volunteer club leaders, members, and parents for their interest and participation. Also to the sponsoring organization for their continued support.
