

Brownsville Baptist Church, Brownsville, Ont. reached a milestone in its ministry with the celebration of its 100th anniversary on September 28. Guest speaker for the day was Dr. Gerald Benn, President of London Baptist Seminary. The morning service was followed by a buffet luncheon which was attended by many former members who came "home" for the day. Pastor J. W. Fraser prepared a historical brochure for the event, which told the story of the development of Brownsville Baptist, one of the first churches to become part of the Regular Baptists in 1927, and subsequently to become a member of The Fellowship of Evangelical Baptist Churches in Canada.
