Due to high fuel costs we are considering, insulating the hall in the near future and certainly need to do something to the outside.

We need this community hall as it is being used by many groups. The Women's Institute and Optimist pay rent regularly and we have the odd dance, shower, christmas party etc. which covers expenses but not maintenance. Our Scouts, Cubs, Beavers and 4 H Clubs use it free of charge.

This is an opportunity for you to support your local Brownsville hall with a cash donation. We would appreciate your support and it may be left at the Brownsville Post Office. For further information or acceptance of your donation please contact any hall board member.
