**Jimmy Morrison marks 80th birthday**

BROWNSVILLE (C) — Jimmy Morrison was pleasantly surprised when 40 neighbours and friends dropped in to his home to wish him Happy Birthday and sign a huge birthday card on Saturday, April 11, in honour of his 80th birthday. Birthday cake and ice cream, brought in by neighbours, was served by Mrs. Stan Porchak and Mrs. Sam Dearden during the afternoon to the visitors. Mr. Morrison was born in Glasgow, Scotland, April 11, 1901, and came to Canada in 1903 with his parents who

have long since passed away. He has one brother Alex, living in Detroit. Mr. Morrison has lived in this area most of his life doing farm work, working in a cheese factory at Watts Mill and at the Aylmer Airport doing general duties for six years, before they closed. Now he spends his time visiting, looking after his home and going for walks. Jimmy expressed his sincere thanks for the cards and gifts he received, which made it such a memorable occasion for him.
