

OFFICE OF THE  
WARDEN

## GREETINGS

It affords me, as Warden of Bruce County, a great deal of pleasure in extending greetings to you who have the privilege of reading this History of the Bruce County Tartan.

May I express my thanks to the author for her work in compiling all the material and information, and to the Tartan Committee for their foresight in publishing it in book form.

We, in Bruce County, are extremely proud of our tartan, and I would urge you to support its promotion in every way.

A handwritten signature in cursive script, reading "Albert J. Worrall".

Albert J. Worrall,  
Warden.
