

Dr. J.F. Morton

ACKNOWLEDGEMENTS

With the publication of this small history, we pay tribute to those whose combined efforts and untiring zeal has made real a tartan of our own. Although three of our Committee have now passed on, it was through their work that this project came to a successful conclusion.

The late Dr. J.F. Morton, who first presented the idea of a Bruce County Tartan for our Centennial year.

The late Mr. Norman McLeod, who helped in so many ways to bring it to fruition.

The late Mary Gateman, who kept such careful notes of all the many transactions without which this history could not have been written.

We are happy they lived to see their dream come true.

In addition we are indebted to:

The Women's Institutes of Bruce County for their generous support at all times.

Mr. Stuart Forrester, County Clerk, for his attention to the many details required of him.

The several Wardens and their Committees for valued assistance.

Jim and Anna Meyer of Teeswater, and Wingham, and C.K.N.X. - T.V. Station, for their unfailing help and encouragement.

The Press, both daily and weekly.

To Mrs. Morton and Mrs. Wimperley, and a host of others we say a heartfelt thank you. It has been a privilege to have had a part in this great project.
