

# Pupils of Mrs. Helena Boughner

## Present Pleasing Recital

A very pleasing Recital was presented by the piano and vocal pupils of Mrs. (Charles) Helena Boughner, in the United Church Hall Friday evening, with a good attendance of parents, relatives and friends of the forty or more students who took part. The guest artists for the evening, was a violin quartet from the studio of Mrs. Frederic (Dorothy) Lord of Brantford. Their numbers were greatly enjoyed by all, as they have won awards from different Festivals of our surrounding cities and their presentations were of high calibre. Three members of the quartet were making their second appearance in Norwich, being here last year, as well as their accompanist, Mrs. Dorothy Penrice.

During the evening, a presentation of a gift and a corsage was made to Mrs. Boughner, from her pupils, to express appreciation for the fine work she does with them. Mrs. Lord was also presented with a corsage, to show appreciation for her interest in the recital and for bringing such talented pupils to our town on two occasions. Other accompanists on the program, were Miss Faye Bailey and Mrs. Daniel Klassen and their fine support

at the piano was appreciated by all.

Following the program (printed below) a social time was held, with refreshments served by Mrs. Boughner, with a number of friends and pupils assisting in serving duties.
