Gun Club formed at Burgessville

Last July the Burgessville Gun Club was formed. It was started basically to promote better safety, efficiency, and sportsmanship in the handling of guns.

Rifles and shotguns are used by the members for target and skeet shooting. They are at present using the indoor target range at Norwich High School. An outdoor 100 yard range and a skeet range are being readied

for action.

Members do most of their own shotgun shell reloading and the club is registered with the Imperial Shooting sports program.

The members are planning a turkey shoot and are looking to hold an old fashioned rifle match sometime next spring.

Always looking for new members, the club president, Murray Penny can be reached

at 424-9073 for particulars on joining the club.
