Adopted as a child, Chesley resident Ruth Gerrard (sitting) recently found out about her natural mother, now deceased, and her siblings after a 50-year search. She met her brothers and sisters for the first time in her life in early July when her new-found siblings planned a family reunion in the Niagara Falls area where they live. In this photo, a photo Ruth says she always dreamed being part of, Ruth holds hands with her brothers, Bob and Bill as sisters, Betty, Phyllis, Patti and Mary look on.
