New partnership formed at Chesley's

The menu, the hours and the friendly service remain, however, effective September 9, 1994, Chesley Family Restaurant's ownership is a new partnership.

Bernice Murphy, who has been in Chesley for two-and-a-half years, has teamed up with her mother, Dianne Wells of Hanover, to run the restaurant.

Pizza, fast food and submarines will remain the specialties at the family restaurant, which is open Monday to Thursday from 8 a.m. to 7 p.m.; Friday from 8 a.m. to 9:30 p.m. and Saturday from 8 a.m. to 3 p.m. The restaurant is closed on Sunday.

Within the next month, Bernice and Dianne have some remodelling plans in mind, but other than that, the friendly service and good food that Chesley and area customers have come to expect will remain at the Chesley Family Restaurant on Chesley's Main Street.

Both ladies will be working full-time - Dianne as waitress and Bernice back in the kitchen cooking the variety of fresh and tasty dishes on the menu. Free in-town delivery is available for pizza orders. As well, there's a children's menu and full take-out service.

Bernice says she is grateful for the support the Chesley Family Restaurant has received to date and she says she is "looking forward to serving you in the future!"

The cheque represents the proceeds of a September 14th barbecue the two restaurants sponsored in Leask's parking lot to raise funds for the Hospital. Special thanks is extended to Peter Knipfel of Leask's for supplying the food at cost. The money will be given to the Chesley and District Hospital Foundation which raises funds for the replacement of old or the purchase of new equipment for the hospital. (Golem photo)

Leith Fenton of Chesley holds a 12 foot pole against the tallest corn stalk in his garden. The special giant corn seeds Fenton thought he'd try out are from Brandon, Manitoba. He said the stalks hadn't finished growing as there has been no corn from them yet. The firmly rooted stalks should produce extra big cobs too. (Hancock Photo)
