

SOME

+++++ EARLY INDUSTRIES +++++

ELLIOTT MILL - first industry in Chesley built in 1856 by William, son of Adam S. Elliott. Had several owners and since the fire has been taken over by Co-Op.

-----

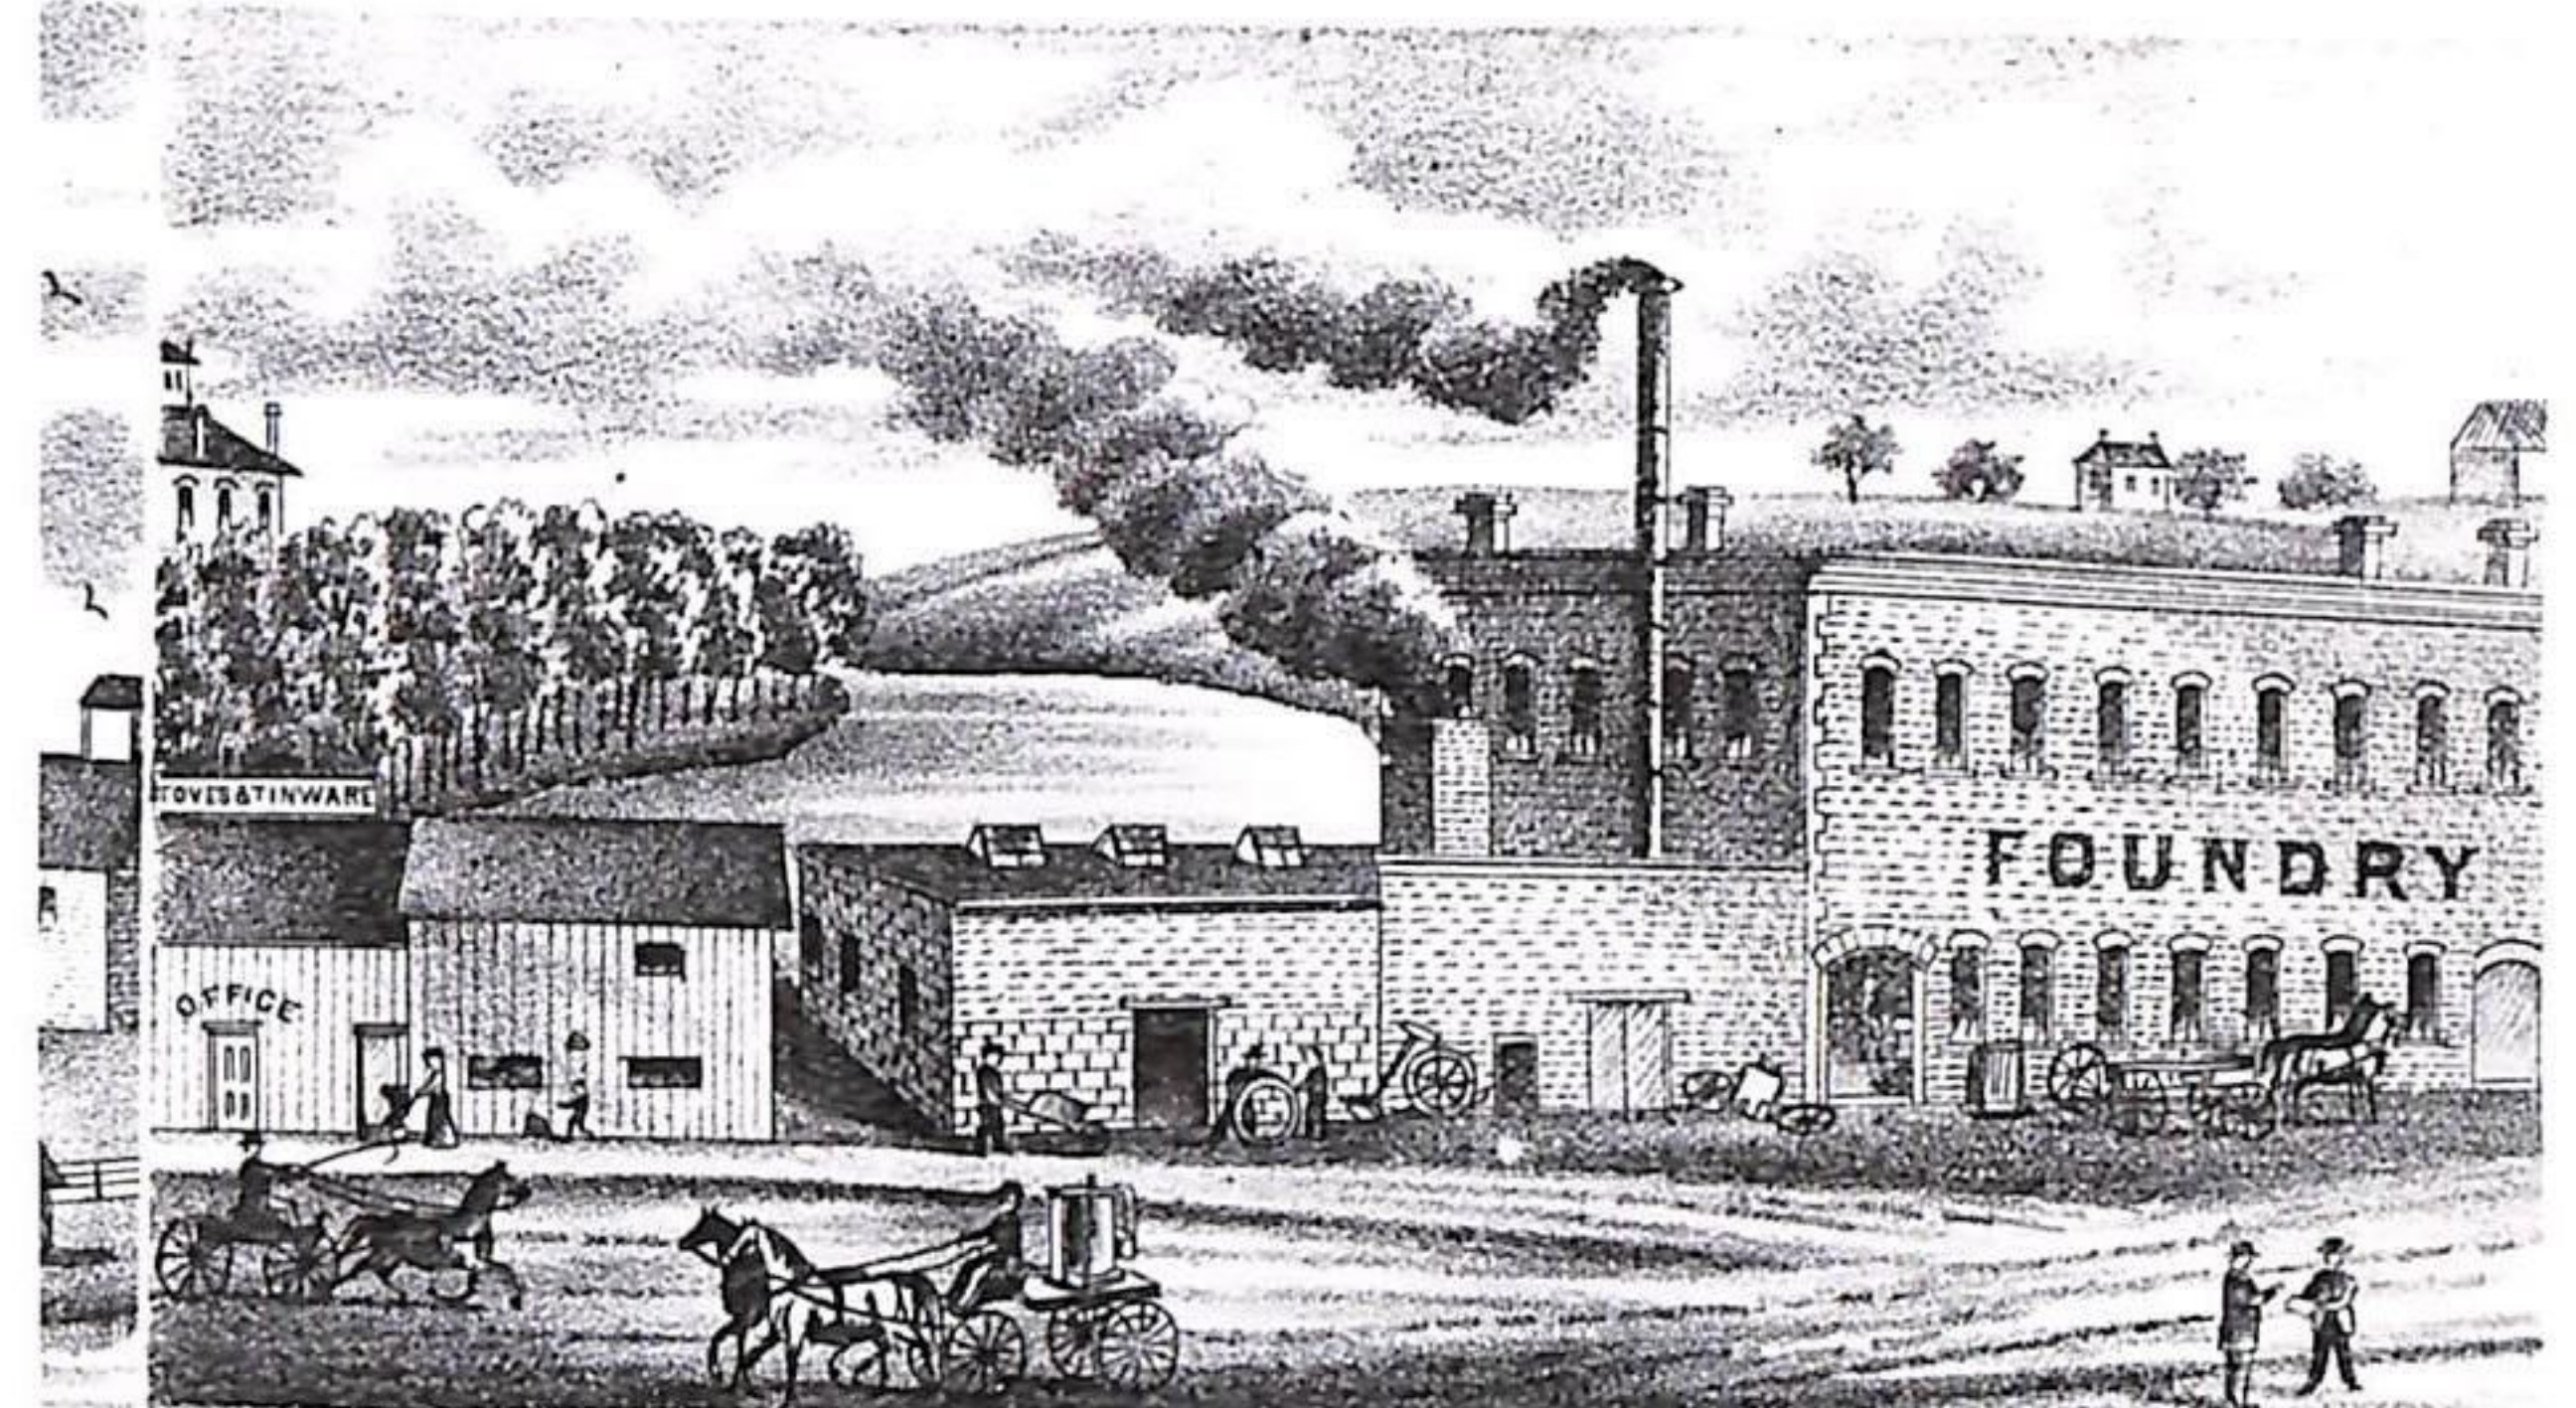

BREWERY - operated by Alex Schumacher in early 1890's (now a residence) 1960

Founded 1886 by Wm. Elliott, also operated by M.D. McClure and since 1921 by son James and now joined by grandson William - recently expanded to include fertilizer and building materials.
