

## Preface

seem to have been held in Toronto and delegates were sent there each year up until 1921 when they were sent to North Bay and were sent there also in 1922 and 23. Perhaps tiring of the long distances or finding a need to meet with other W. I. members living in similar conditions a 'local' convention was held in 1925 at Elk Lake and again at New Liskeard in 1926. After the division into three districts in 1927 the first convention was held in Swastika.

From 1927 to 1943 we of Temiskaming North became Cochrane District. Whatever history of these years we are able to obtain through co-operation of Cochrane North's Curator, Mrs Murray Young, will be included in this book also. However history of Cochrane South will assume a much larger share of importance and space from 1943 on. We hope the inclusion of other former years may be of interest to future members supplying them with some idea of the growth of W.I. in this part of Northern Ontario.

Edna R. Gettler  
Curator of Tweedsmuir History  
of Cochrane South.

May 3rd. 1965
