

President  
1946-48 Mrs F. Clark, Northern Star

Shillington Ont  
March 11. 64.

I came into Northern Ontario from Toronto on the occasion of my marriage in 1925, my knowledge of farm and bush-country life a complete blank, my only asset being an inbred love of Nature!

A charter member of Northern Star W.I. I now feel that this was where my farm-home life really began, and in retrospect I know I have a wealth of training in homecrafts, friendships and pleasant memories.

We have two sons, three daughters and thirteen grandchildren. Two daughters and both sons have been members of Boys and Girls clubs and at present <sup>two</sup> ~~one~~ granddaughters are 4 H members. Because of deafness my other daughter was educated elsewhere.

I have had the honour of being district president for two years, 1946-48 and convenor of Historical research and current events 1944-47

Annie Clark.  
(Mrs F. J. Clark)

Northern Star Branch.
