## BLENNHEIM HOUSE, DRUMBO.

Dear Madam,—I have now my Stock for the Fall Trade complete in all the Departments. While I take pleasure in thanking you for past favors I would call your special attention to the following Departments:

### DRY GOODS.

In this department, for the last year, I have been reducing all lines and have cleared out most of the old stock and am carefully replacing it with new goods. In dress goods we have received in stock about 40 new patterns in dress lengths only, no two patterns alike, suitable to all ages and conditions, and at prices in keeping with the times. **Cottons, Cottonades, Shirtings, Flannels, Flanneletts, Waterproofs, Meltons, Mantling, Underclothing and Hosiery for everybody.** No trouble to show goods, please call and examine.

### MILLINERY DEPARTMENT.

In this I have secured the services of Miss Muir of Ottawa, late of Linwood, a young lady that comes to us with excellent recommendation as to ability as a trimmer and saleslady, I therefore feel confident in recommending her to the confidence of the public. She has now completed her selections of stock for the fall trade. Please call and examine her styles and prices before purchasing elsewhere. You will find her courteous and obliging.

Show rooms will be fully opened for inspection by **FRIDAY, SEPTEMBER 15.**

### READY-MADE MANTLES.

We have added to our stock a large range of German made mantles of the latest importation. The German mantle is world-wide known for their neat fit and style.

Ladies furs shown in this department.

### READY-MADE CLOTHING.

In this department we have a full range in child's and youth's suits and overcoats. Irish Frieze overcoats for men and boys. Men's ready-made pants. Suits made to order and gent's furnishings.
