

May 2, 1953

are easy to grow, and interesting house plants. A short discussion followed this interesting paper.

Mrs. Clement, our District President, and Mrs. L. Humphries District Secretary were with us this afternoon. In her talk to us Mrs. Clement spoke of having a display of handwork at the District Annual this year. A comforter is to be raffled at Annual to obtain extra funds for District. Each branch is being asked to sell tickets at .25 each. Price of comforter to be refunded from intake. Two subjects to be discussed at Annual:-

1. Shall membership fees be raised to cover all dues? (97. - \$1.00)
2. Shall a set price be paid by each individual for dinner at annual.

After the programme a social hour, and a dainty lunch served by hostess, was enjoyed by all.

Attested Edna Gettler - Secretary.

Irussia Wolf. Pres.
