Lions install new executive

Signpost June 15/88

The members of the Thamesford Lions Club concluded one of their most active years of service to the community with a barbecue at the Community Centre on Monday, June 5.

Guest Lions were present from Dorchester, Woodstock, Ingersoll and Fisherville Lions Clubs.

Deputy District Governor of District A-15, Lion Larry Sales of Woodstock installed the 1988-89 executive. Past President - Roger Coker, President - Jack Youse, 1st Vice President - Dick Dufton, 2nd Vice President - Steve Turner, 3rd Vice

President - Larry Taylor; Secretary - Gord Calder; Asst. Secretary - Dan Fisher; Treasurer - Rob Smith; Asst. Treasurer - Don Ballantyne; 2 yr. Directors - Jack Broadfoot and Jack Bates; 1 yr. Directors - Seaman Glover and Dennis Stead and Tail Twisters - Greg Stewart and Bill Burnett.

Following the installation of officers and dinner, the Lions listened to a hilarious monologue delivered by Lion Warren Berger of Fisherville Lions Club which concluded with some very serious remarks on what constitutes a good Lion and the ability of a club to serve its

community.

This has been a very active year for club members with many projects to serve the community undertaken and completed, the most important of these being the planning and design of the upgrading of the Thames River in the village. The club has also had a lot of fun and success with its Pirate Ship float. The float has taken part in Thamesford's Calithumpian parade and the Ingersoll Heritage Day parade. The float also finished second in the Multiple District "A" convention parade held in London two weeks ago.

Margaret Hammond of Thamesford served tea to Anna Hardie at the Florence Nightingale Tea at the Alexandra Hospital last Thursday. The tea is one of the hospital auxiliary's major fund raising events of the year.

Hospital tea a big success

THAMESFORD BROWNIE PACK SIGN POST 22-6-88

The regular meetings for the 1987-88 season of the Thamesford Brownie Pack came to a happy conclusion with a wiener roast attended by Brownies and their parents. Brown Owl Sheila Watson, Tawny Owl Debbie Dobinson and their assistant Sherry Watson planned the evening's fun activities. Detailed plans were made for the Pack's overnight camping experience to be held at Tillingwood, the Guide Camp for Oxford.
