Link was read to the members.

A Health poster from Department of Health was given to Home Economics convenor to arrange a program for February 1st to 7th - National Health Week.

A little booklet issued by the Canadian Association of Consumers was read by Mrs. Caylor

It was pointed out ^{by Mrs. Caylor} in an Ontario Government Bulletin the work of the Peacetime Health Unit and members were asked to read this page.

Members were informed about their new role in public life by Mrs. Caylor who read an excerpt from a Detroit paper on the duties of Canadian women as jurors. Material on Jury Duty was given to Mrs. Cady, Citizenship Convenor, to arrange a program for this.

The Xmas committee reported that 315 bags of candy were passed out to the children of Holyoke and expenses were \$109 ⁸⁴/₁₀₀

Mrs. Caylor suggested that we invite newcomers in town to the Institute meetings and call on them to give them this invitation

The Secretary was reminded to send the Hospital Fund in Matheron \$40⁰⁰ and we were told by Mrs. Zemel that the delay in the building of the hospital was due to the Government not granting the necessary money until it was decided about the number of bed hospital to be built.
