

Feb. 27/53

A financial statement was read by the Secretary-Treasurer.

Correspondence was read by the President. A letter from the Ontario President advised us of the Spring Conference at Suelph and to make local contributions to the Overseas Flood Relief Fund. The St. John Ambulance Brigade asked for membership & assistance in its work but due to shortage of funds, it was moved by Mrs. Cady and seconded by Mrs. Zemel that we ^{do not} donate funds at this time. Carried.

The committee for the Penny Round Up Campaign for Mental Health Commission reported that it was not advisable to campaign through the separate school at this time due to another campaign being carried on there but other volunteers felt that the bags could be distributed elsewhere and it was moved by Mrs. Kerr and seconded by Mrs. Bauer that they send for 100 bags. Carried. This committee is to contact Mr. Rody, Public School Chairman.

The Social Committee reported that it was putting on a St. Patrick's Day Card Party and that a wool blanket was to be raffled on that same night. Members were asked to bring lunch and the charge is to be 50¢.

It was decided that nothing would be done
