October 10th 1938:

The first regular meeting of Kenora W. S. was held Monday, 10th at 8 pm in Basement of Public Library. 21 in attendance. The President, Miss Humble, called the meeting to order ^{by} ~~with~~ singing of "O Canada" with Mrs. Ford at the Piano. The President explained this meeting was to have been held one week earlier, 3rd Oct. to enable us to have Col. Baker as speaker, but owing to his inability to be present on that date, it was deemed advisable to revert back to the usual night. This slight misunderstanding and the Thanksgiving holiday being on 10th, no doubt accounted for the meagre attendance. Reading of minutes of previous meeting, also executive minutes, and approval of same, were first items of business. Correspondence was dealt with in usual manner.
