

of the most useful and artistic cabinets, ash tray stands, magazine racks etc. etc. All sorts of ornaments flower pots, pictures, and articles too numerous to mention, were made under Miss Wilson's supervision, out of - next to nothing. Being greatly handicapped for lack of funds, the strictest economy must be observed, and great credit is due these teachers and children, <sup>for their skill and</sup> ~~for~~ being able to produce such a wonderful patience exhibit of Handicraft. A vote of thanks was ably moved by Mrs Petch, to trainers, children, Mrs Martin, & all who had contributed to the splendid program this was seconded by Mrs Jackson, and responded to most heartily. Mrs Witts at the close of the programme spoke of the work with Indian children at the school, and the outstanding record of their School Band, & also expressed her views of the seeming public indifference to our local Indians, & thought a little more interest should be created.

Extracts from Report of Area Convention was read by Mrs McLesables, who went to St. Frances in Sept. as Delegate to Convention.
