

2011

Update on the life of Irene Haldenby

After my husband Bill was diagnosed with A.L.S. we sold our farm at Lot 6 Conc.3 Grey Ox Ave. and put up a Royal Home on our property at Plan 184, Lot 3 Conc.!, Havelock St.N. in Huron Kinloss Township.

Bill died April 2001 from his illness. After this I became quite involved with community activities such as the Women's Institute, Church. The women's church group, Sunday School teacher, Meals on Wheels and volunteer at the local Nursing Home. This keeps me busy along with my big yard and gardens.

My children are all off leading successful lives. Our oldest daughter Cheryl is a Executive director for Women in Nuclear working at Bruce Power. Mark is a buyer for Wal-Mart working at head quarters in Mississauga. Nancy is quite involved with the Bruce County Children's Aid Fostering Assoc. taking in foster children and teaching new foster parents. The Grandchildren are at various stages in life, some working, some in University one in High School and one in Public School.

I received a new Granddaughter in 2004 when Nancy and Kenneth adopted a little girl Dana who had been in their care, I now have nine Grandchildren.

My two oldest Granddaughters are to be married this fall.

Update for Alice Doelman 2011

1991 we moved off the farm and built a house in Rabid City. By 2002 all our children are married. Oct. 2004 we lost our oldest son in a farm accident. We now have fifteen grandchildren and three great grandchildren. Time goes very fast and I keep busy.

Alice Doelman.
