What are Tweedsmuir History Books?

Tweedsmuir Community History Books (or Tweedsmuir's as they are commonly known) uniquely capture and preserve local community history. They vary in form from a simple scrapbook to an elaborate series of volumes bound in leather, wood or a more formal blue-and-gold cover.

Tweedsmuir's are comprised of a variety of information and often include a history of the:

- Local Women's Institute Branch
- Earliest settlers in an area
- Agricultural practices and individual farms
- Industries that formed the basis of the local economy
- Social institutions and public buildings, such as churches, schools and community centers
- Local personalities, such as war veterans
- And much, much more!
