Bowling Team Starting!

Lakeside is attempting to start a bowling team.

If you would like a "night out with the boys" come on out on Friday evening (tomorrow night) to the alleys in St. Marys at 9 o'clock

It is wonderful to meet your friends on the street or at "the store", but let's face it, you don't have too many opportunities to spend a whole evening of fun with them.

Bowling is a good sport, not too strenuous, not too expensive and darn good exercise. Unless you have a lot of blows, it is good clean fun.

Come on boys, and do Lakeside up proud.

THIS 'N THAT

Please send some in recipes for our Anniversary Cook Book. I have tasted enough of The Lakeside & Area's cooks goodies to know that their recipes are well-worth using. A lot of our readers tell me that they do use the recipes that appear, so let's continue to give them a chance to trade recipes with us.

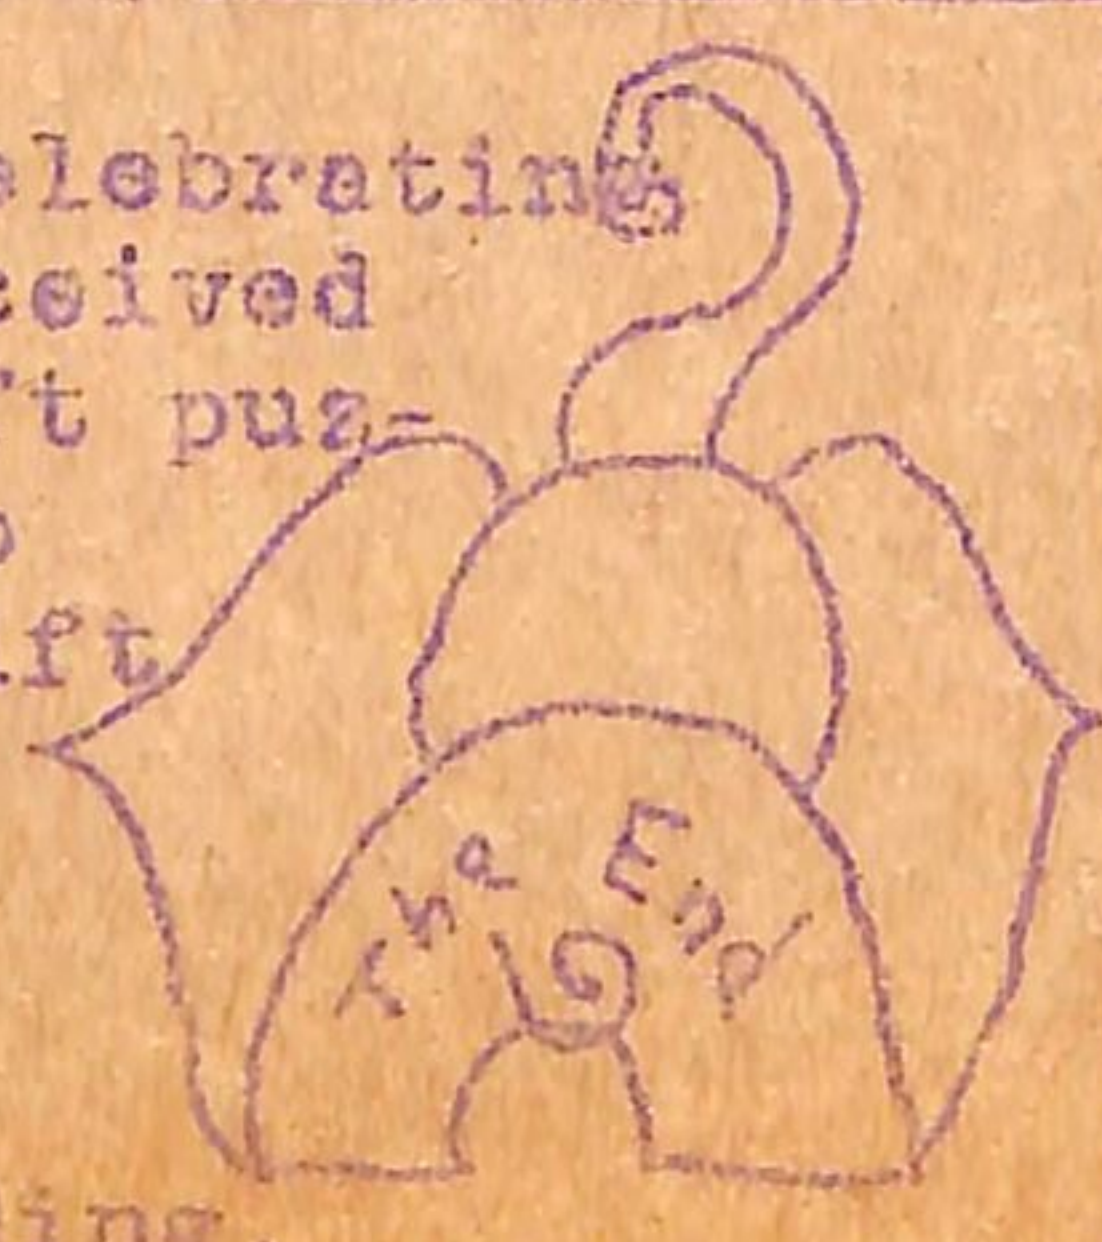

Met a few of the cottagers last week at the store. Those sunny days brought them out in droves. Nice to see them again. Manks, Simpsons and Richardsons - to name a few, spent the weekend at THE lake.

Of all things to lose - a little girl in Lakeside lost HER SHOES. Not her old shoes, uh, uh, her NEW shoes. I have lost a lot of odd things, but never my shoes. Wee is her!

Stag Gag

A Roman Catholic Priest was celebrating 25 years of priesthood. He received many lovely gifts, but one gift puzzled him. He phoned his Bishop and said "Father, I got one gift that worries me. I don't know what to do with it. It is a pair of pillow cases marked 'His and Hers'"

"Well, the way things are heading, hang on to them" suggested the Bishop.
