## Around the Corner -

Things were really hopping around the corner yesterday! Mark munched his way happily through 30 Children's Aspirins and topped those off with 10 Children's Own Tablets.

Thanks to kind neighbours Mark is now recovering in The Children's Memorial Hospital, London and Mom is recuperating by discarding down the job of the remaining few pills.  
See you -

## Recipe of The Week

~~XXXXXXXXXXXX~~

### DOUGHNUTS

- 1 cup sugar
- 2 tablespoons cooking oil
- 2 eggs
- 1/2 teaspoon salt
- 3 cups flour
- 4 teaspoons baking powder
- 1/2 teaspoon cinnamon
- 1/4 teaspoon nutmeg
- 3/4 cup buttermilk
- 1/2 teaspoon baking soda

Cream the sugar and cooking oil together. Drop in the eggs, one at a time, beating after each one is added.

Sift the dry ingredients together and add alternately with the buttermilk. Chill for an hour. Roll out on floured board and fry at 350 deg. - 360 deg.

Try rolling a whole pitted date into the middle of balls of this dough before frying. Watch the faces light up when folks bite into them.

## Social & Personal

Miss Faye McHutcheon is teaching in the Avon School, Stratford this week.

Miss Nancy Gates won first place in the Public Speaking Contest Friday evening, Feb. 3. Nancy was competing with grades 5 and 6 in West Zorra, at the Highland Park School.

Mrs. Margaret Johnson spent Wednesday visiting with her daughter, Mr. and Mrs. Drinkwater, St. Marys.

The "Lark" is slipping a bit this week with reporting the winners at the Euchre Monday evening in the Orange Hall. It was cold enough to make a Spartan weep, but I understand five table of hardy Euchre enthusiasts shivered their way through 10 games. I don't know who won the prizes, but I personally feel they all should have been given a prize for Endurance.
