The Lakeside United Church Sunday School held its annual Christmas Concert on Friday evening, December 8, with a large attendance.

The youngsters from the kindergarten class to the juniors put on a good show with recitations, piano solos, accordion, singing - and even a balancing act.

The evening came to its usual happy conclusion with the arrival of "Santa" and the distribution of gifts and candy.

A small fire at the home of John B. Muir Sunday a.m. caused quite a bit of excitement but not too much damage.

An extension cord became worn and started to burn a coat hanging nearby and also a bit of wood-work.

Thanks to the quick thinking and quick action of Mr. Muir, the fire was put out.

And cheese
And furniture
And wine--
Most anything
But me.

Approximately 20 youngsters gathered at the home of their Sunday School teacher, Manfred Wollny following the Christmas Concert on Friday evening, for a lunch and social time.

The ice-storm which occurred on Sunday afternoon caused everyone some inconvenience - and really zonked Dr. John Dingwall's Volkswagen, when it slid into a hydro pole.
