Mr. and Mrs. Oxbjorn and their pretty daughter, Jeanette of London have opened the booth around the lake and christened it with a new name "The Lakeside Drive-In".

They have remodelled the booth into a very attractive eating place. They serve Chicken-In-A-Basket, Fish & Chips, French Fries, Hot Dogs, Hamburgs, etc. and they are also a charming friendly couple -- a real addition to our community.

We wish them much success in their new business and look forward to trying their tempting snacks.
