Lessons were read by Charles Harris and Donna Guthro. During the offertory the children's choir sang. A sanctuary light was dedicated to the Glory of God and in memory of the late Mr. Frank Baker, a faithful member and worker of the church. Rev. Birtch delivered a very timely sermon, from which he said - "Why are you looking in a tomb for

someone who is alive?" We are people who are known as the people of the Resurrection. Without hope people cannot live. One of Christ's men said, people are without God and without hope in our world.
