

FARM WOMEN OF OXFORD COUNTY TRAIN FOR LEADERSHIP

The 'Senior Leaders Training School' for rural women of Oxford county, organized by the Home Economics Service of the Ontario department of agriculture, commenced Tuesday morning in Grey Memorial Hall, New St. Paul's church, Woodstock and continued through a two-day session. Approximately 40 women, representing all sections of the

county took part in the program. The 'Workshop' part of the school had for its central theme this year 'The Third Meal'. The theory behind the practical approach to this being that -- breakfast is a standard performance to a great degree, and so also is the main meal on the farm, the noon dinner. But in the evening, there is a chance of

using slightly more imagination than has been hitherto evident -- hence the study. Photo on left shows the senior leaders. From left, seated are: Mrs. K. Hammerton, RR 1, Beachville; Mrs. M.
