#### A.C.W. Meeting

Mrs. J. Warner, guest speaker at the January meeting of the

Lakeside A.C.W. chose the topic Oxfam. Canada has added another dimension to its program of international aid and relief - trade. The speaker remarked that Oxfam Trading Limited is attempting to provide markets for high quality crafts and products of developing countries. It was interesting to hear that most of the articles are produced in village co-operatives or cottage workshops unable to afford or obtain sophisticated marketing processes, and have come to Oxfam's attention through governments, churches or other agencies.

Mrs. Warner emphasized, if you feel as Oxfam does that it is essential for world peace to bridge the ever widening gulf between developed and developing nations one can enjoy helping in this endeavour. A display of Oxfam Trading wares preceded the tea party.

Here is a verse -

Take time to think - it is the source of power.  
Take time to play - it is the secret of perpetual youth.  
Take time to read - it is the fountain of wisdom  
Take time to love - it is a God given privilege  
Take time to be friendly - it is the road to happiness,  
Take time to laugh - it is the music of the soul.  
Take time to give - it is too short a day to be selfish,  
Take time to work - it is the price of success.
