

erect lamp-poles. Cost of poles was 30<sup>00</sup>. A Mr Wilson was the contractor. Later on Mr Brady a picnic social was held to help defray the expense.

The planting of trees was again discussed in May 1908. Mrs. L. A. Bevin, and Mrs. Brooks were appointed to interview two or more responsible men in regards to trees.

In August 1908, ten books were bought by the W. C. and a librarian liked to look after same. At the October meeting of the same year some mention was made of a travelling library.

In 1909, it was suggested that a reading room might be opened over the New bank. It was at this

same meeting that mention was made of the Mechanics Institute. The W. C. raised money to pay off their debt which had been incurred by non-payment of rent.

They had a reading room which was open nightly. In February 1909, it was decided that the W. C. open a reading room in the Orange Hall for three months, on trial.

In April 1909, it was suggested that plants be planted in the Cemetery on the graves of friends of those not residing in the community and more.

Proceeds of a concert put on by W. C. were 101<sup>50</sup>

The sum of 50<sup>00</sup> was donated to a Green Mary Hospital where any child from
