

February 16 1965

Our February meeting was held in the school.
The meeting opened with the minutes of the last
meeting being read & corrected.

The Kenner Fair exhibits were discussed & what
each lady was to enter for the fair.

A report was filled out concerning the membership
fees & they were paid.

Mrs. Stevenson suggested we play a brief game seeing
how many songs we could guess with peoples names in
it & a prize was given to the one guessing the most
^{name} songs.
