The meeting was opened in the usual manner by singing the Institute Ode. There were 5 members present, two new members joined. There were also ~~two~~ visitors.

The minutes of the last meeting were read and approved.

There being no correspondence the meeting was open for unfinished business. The Dance to be held Oct. 11, was then discussed and each member decided what they would bring towards the supper. They also decided on buying a number of items required for the supper.

This being all the business for the day the meeting was then closed.
