

4-H

4-H project "Sleeping Garments" ~~had~~ will soon be underway. Isla and Marie are the leaders again and expect to have seven or eight girls taking the project. Four 4-H girls had a busy summer with two attending the Lakehead Exhibition, one attended the 4-H Conference at Guelph and another attended Expo as a member of the High School Band.

CONFEDERATION COLLEGE

Marie also read a letter from K. Cunningham of the Confederation College of Applied Arts and Technology at Fort William. This College has been founded in the Lakehead area to serve area 18 which embraces the Districts of Thunder Bay, Kenora and Rainy River. They will be opening this fall and offering courses in Early Childhood Education, Welfare Services, Secretarial Arts, General Business, etc.

Either the Air Vice-Marshal D.A.R. Bradshaw who is president of Confederation College or Mr. Cunningham are available to speak to 4-H Clubs. Mrs. Redford of the Fort Frances Club has written to the College and asked if they could meet with our clubs (combined) on Oct. 23rd.

DELEGATE

Louise Chambers nominated Isla Hayes
