As curator of the Tweedsmuir History, I wish to express my appreciation to everyone who has contributed information and pictures for this book. Special mention must be made of Glendinning Printers who permitted my access to their files, to the late Whit Smith and Mrs. Smith my dependable historians, to Mrs. Geo. Adam (Verna Lehman) for securing information and my sincere gratitude to Mrs. Margaret Marshall for typing the entire book, which would never have been completed without this assistance. My thanks to all — Marjorie Wilson.
