W.I. MEET

The January meeting of the Women's Institute met at the home of Mrs. Wesley Clemens with an attendance of thirteen.

Mrs. Everett Arnold presided with Mrs. Kemp, secretary, reading minutes, correspondence and thank you notes. Mrs. Ken Clemens, treasurer, gave the financial report. Arrangements were made for the members to serve as caretakers of the hall per month. Bills were presented and passed for payments.

Mrs. Thelma Trafelet gave an excellent paper for "cultural activities" regarding "The Bruce County Tartan" with Mrs. Olive Hepburn's poem, also displaying several articles of the Tartan jewellery, corsage, etc. Ending with a contest that was won by Mrs. Hyatt. We are very pleased to welcome Mrs. Harry Hase as a new member and to have Mrs. George Trafelet with us again, after a three months absence through illness. Welcome back Georgia.

Mrs. E. Arnold and Mrs. W. Clemens served a tasty dessert, lunch topped off with a nice slab of Christmas cake.

-The majority of people in Amabel Township were incredulous in that most voters are told to go to Sauble Community Centre to vote and we are told this ruling was passed in parliament by Mr. Trudeau last spring. No more voting in private homes and even though we have a fine community hall.

We are told to go to Amabel Community Centre, Amabel does not have a community centre so we take it to Sauble Community Centre, which we are referred to, but having a good centre of our own. Why should we have to patronize Sauble Centre, especially in mid winter when weather can be hazardous. Apparently Townships with Community Centres, the voters are told to go there to vote. Maybe we should give our country back to the Indians and let them take over.
