

VI-1
CENTENNIAL YEAR
Nineteen Hundred-Sixty Seven

CANADA'S ONE HUNDRED BIRTHDAY

CANADA

Our Native Land

Province by province lies
From Atlantic to Pacific shore,
Their names are studded in the skies,
Their history rich in native lore,
Ten provinces we proudly say,
Ten peoples welded into one,
Name them if you will today,
Their glowing tribute do not shun,
And with a century to celebrate
May the future of our Canada be great.
