Ten Ways To Kill An Association

1. Don't come to the meetings.
2. If you do, come late.
3. If weather doesn't suit you, don't think of coming.
4. If you do not attend a meeting, find fault with the officers and members.
5. Never accept an office, as it is easier to criticize than do things.
6. Nevertheless, get annoyed if you are not appointed to a committee. If you are appointed, don't attend the committee meetings.
7. If asked by the Chairman to give your opinion regarding some important matter, tell him you have nothing to say. After the meeting, tell everyone how things should have been done.
8. Do nothing more than is absolutely necessary. When other members roll up their sleeves and unselfishly use their ability to help things along, howl that the Association is run by a "Clique".
9. Hold back your dues as long as possible—better still, don't pay at all.
10. Don't bother about getting new members, but if you do, be sure they are grouchs like yourself.
