

in Stratton hall on June the sixth and as
 Slearlock, North Branch and Sherston united
 the district Annual this year, owing to the
 scarcity of members in each branch so we
 decided to co-operate in this affair and the
 planning was left to Sherston Branch
 to let the other two branches know of the decision
 The ladies decided it would be best to write
 to Slearlock and to North Branch and let them
 know about these plans and also to write to
 Mr. Bill Wardmans to see if they were killing
 any beef or veal or any other kind of meat
 before the annual and it was also agreed
 that the two Institutes North Branch and
 Slearlock should know also that there were
 thirty pounds of meat needed for the annual
 After the planning discussions were made
 Mrs. Peter Stuart moved the meeting to be adjourned

The next meeting to take place was to be
 at Mrs Peter Stuart's home.

After the meeting was over a dainty lunch
 was served and a pleasant afternoon
 was spent by all.
