

The Regular meeting was held again on April the 9<sup>th</sup> April Saturday afternoon. The members who attended this meeting decided we should dispose of the money as soon as possible. There was to be a meeting at a later date so it was arranged that all the members who had ever attended the Institute should be notified as to the date it was to be called.

Now at this meeting it was agreed the best we knew how as the secretary was to write to each member and ~~ask~~ her suggestion of how she would like the money to be spent.

There was another important matter taken up and that was, since a good many of the members had died who used to belong to the Institute, it would be a very good charitable act to think of these dear departed members and send each member next of kin  $2.10$  money order for them to get three penny roots catalogue Eaton and these next of kin could place them on the dear departed members graves so they could come up every year and it would be a kind remembrance as well of the Sherston Women's Institute Branch to think we have thought of the dear departed as well.

It was also decided to tell these next of kin if they would like to get some other kind of flower it would be satisfactory to us. The meeting was then adjourned by Mrs Alice M. Dwyer
