June 6<sup>th</sup> 1917.

The June meeting of the Pleeman W.F. met at the home of Mrs. G. Dowson. 6 members & 3 visitors being present. The Pres. Mrs. F. Longhurst was in the chair & the meeting opened in the usual order. Singing of opening ode. & reading & signing of minutes. The time of the meeting of the district representatives Mrs. Allan, who is to hold a meeting in the school house on June 8<sup>th</sup>, was again brought up, but it was finally decided to keep to the time first agreed upon. 3. P.M. The topic for the afternoon - "Cool drinks & cool foods" was pretty well discussed, & some good recipes exchanged. Chiefly among the rabbards & condition class. Considerable time was taken up in talking over the best way of disposing of old paper - & etc. to sell for R.C. purposes. For some time the members & friends have been saving all old papers. Mr. Longhurst kindly furnishing stove room for same & Robbie Marsh, has undertaken to make a press to hold the papers so as to make it easier for shipment. Where to send the material to when ready was a question we had not decided, & the Sect. was requested to write to the Sect. of the R.R. Red Cross to see if we could get any information.
