

however, also of necessity the sale of the convention
 pictures to raise money to buy Christmas gifts
 for the soldiers, was left over too - The bags for
 the R.C. made from the pieces of goods donated
 by Mrs G. Sleeman - twenty four in all - had been
 turned in, & were packed ready for shipment.
 A letter from the Dist. Secy, in connection with
 medical inspection by Dr Smith, which stated
 that if we wished to have a clinic, to treat
 the children who were examined by Dr Smith
 on Oct 8th - & found to be in need of medical
 attention, we could combine with Penwood &
 Stratton, as the card did not go into details,
 the Secy was requested to write to Mrs Sullivan
 for more particulars. The Secy was also instructed
 to pay Mr G. Carey's bill for auto hire, in
 connection with Dr Smith's visit, & to pay the
 Mr Wilcox, 6 mo; for the pictures received.
 It was suggested by Mrs Cowson, that to raise
 money for R.C. purposes, we have a raffle, &
 the idea meeting with general approval, Mrs
 Cowson offered to donate a cushion slip for
 that purpose. Mrs Longhurst then offered to
 supply the form, so a complete ~~was~~ cushion
 was that way donated. It was decided to have
 fifty tickets at 25¢ each - & to hold the raffle
 about Christmas time. Mrs W. Sleeman, Dist. Secy.
