

Dowson, & Mrs W<sup>m</sup> Sleeman. The meeting was opened by all singing the "Opening ode" accompanied on the organ by Miss Sara Hunt. After the reading of the minutes, a communication from the Sect. of the Pinewood branch in connection with a clinic to be held at that point, was discussed. We decided not to join Pinewood in this matter not having enough patients in this neighbourhood to make it worth while. Several other matters were discussed. Mrs Dowson suggested we make a red cross quilt, & sell tickets at 25¢ & raffle off the quilt. Proceeds to go to Red Cross. All the details were not settled however, & final arrangements will be settled at the March meeting to be held at Mrs Dowson's.

After the singing of the National Anthem, the hostess served tea, which was much enjoyed by everyone.
