

MINUTES OF ANNUAL MEETING

Date..... Place.....

Home Economics, that we ought to do more to support the Radio Farm Forum and the central fund. We ought to use Consumers News, and to disband if our branch is inactive and that H. I. members should think about the Reconstruction program.

Mrs G. Ash of Frederick house gave the report of Agriculture and Canadian Industry. Six branches reported having such papers as "Front-line Farming", "Let's all be better farmers" and competitions in vegetable grown by members discussions on poultry and on Canadian Industry.

Mrs A. Hurd of Cochrane gave the report on Citizenship from six branches. These were mainly concerned with Canada's war effort; patriotic poetry, home defence, family traditions, Canadian authors and poetry, local problems. Mrs Hurd closed with a recommendation that we do more practical work along the line of Citizenship problems with new Canadian and debates on immigration after the war. Mrs Hurd moved that her report be adopted as read, Mrs McNeill seconded the motion ^{in camera}.

Mrs Knight gave the report on Social Welfare from eight branches, reporting a good deal of work in the communities along health lines, many community activities in the line of dances and parties for raising money, and picnics and treats at Christmas time, treats for invalids, some adult education in the line of short courses or conferences open to
