

American capital has finally acquired this famous camp meeting ground, and while retaining all the charm and delights of the Park as an ideal summer home, modern methods of diversion of the highest class have been introduced to meet the diversity of taste to which the resort naturally appeals.

Grimsby Beach is, and will continue, strictly a residential Park, and will win new fame as a health-pleasure resort.

While a small section of the woods and beach will be devoted to outing grounds for Sunday schools, societies and the better class of excursions, by far the larger part of all the park will be restricted to the cottage life of the permanent summer resident, who wishes to enjoy rest and quiet among the towering pines.

Grimsby Beach is recognized and has been for years, the leading summer resort

in Canada, and travelers from all parts of the world say that for beauty of situation it is unsurpassed. Americans, especially from the South, have known of the place

Two

for years, and with the new ownership, the opportunity is given for the best there is of American culture and social standing, to meet and mingle with the best in Canada.

Surroundings

Pleasant drives lead along the shore of the lake or to Grimsby Mountain nearby, from which may be obtained a view of unsurpassed loveliness. The gravel roads through the vicinity are the delight of motorists. Grimsby Beach is situated in the heart of the great Ontario fruit belt, in the very center of the Garden of Canada. No summer resort is more favorably situated, or possesses a greater number of natural advantages for those who wish to spend most of their time in the open air.

Accessibility

The accessibility of Grimsby Beach is one of the contributing causes of its phenomenal popularity. It is situated on the main line of the Grand Trunk Railway, scarcely an hour's ride west of Niagara Falls. All trains to or from Toronto or
