Kimberley.

From our own Correspondent,

Barn raisings are now all the go.

Fall wheat which is an average crop is heading out. Spring crops considering the present dry weather, showing up well. Kimberley is to have a jeweller's establishment soon.

A Council of the Royal Templars of Temperance was organized on Thursday last.

A serious accident occurred at the raising of Mr. Battricks barn on the 11th inst. Mr. Thos. Magee, while helping to raise the purline bent, fainted from overlifting, and fell to the ground a distance of some 22 feet. He was picked up almost dead, but it was found on his recovering consciousness that he had sustained no more serious injuries than a severe bruising. Although very much shaken up, he is around again, but how he escaped so well seems almost miraculous.

Mr. Thompson of this place, while returning from preaching on Sunday last, was run into at Eugenia by a party of drunken roughs. The wheels of their buggy passed up over the axle of his, pitching them to the ground. Happily Mr. Thompson was not injured, and the roughs picking themselves up, left the scene as quickly as possible without either grumbling or apologizing.

The sad sight of a young man trying to get away from the tavern, a drunken father, has lately been witnessed in Kimberley.

A farmer not many miles from here, failing to get tick for drink, and not being very flush of cash, is reported to have tried taking away from his home a bag of flour to pawn or sell, in order to procure means of satisfying his thirst. He was hindered in his attempt by his family. These are some of the many beneficial results of a drinking place in our midst.

Mr. Buchanan returned to the North West some two weeks ago.

A celebration of the glorious 12th is reported for Kimberley.

For constitutional or scrofulous catarrh, and for consumption induced by the scrofulous taint, Ayer's Sarsaparilla is the true remedy. It has cured numberless cases. It will stop the nauseous catarrhol discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

A Startling Discovery.

Mr. Wm. Johnston, of Huron, Dak., writes that his wife had been troubled with acute Bronchitis for many years, and that all remedies tried gave no permanent relief, until he procured a bottle of DR. KING'S New Discovery for consumption, Coughs, and Colds, which had a magical effect, and produced a permanent cure. It is guaranteed to cure all Diseases of Throat, Lungs, and Bronchial Tubes. Trial Bottles Free at W. Richardson's Drug Store. Large size, $1.00.

Fluid Lightning.

Fluid Lightning is the only cure for Toothache, Headache, Earache, and Neuralgia. It does not take a day or an hour to cure it, but in less than one minute all pain is gone. Thousands have tested its merits within the last year. Fluid Lightning is also a positive cure for Rheumatism. The worst possible cases have been permanently cured in one week. Price 25 cents at Richardson's Drug Store.

To the Ladies.

It will also heal any sore when all other preparations fail. Thousands have tested it. Ask your druggist for McGregor & Parke's Carbolic Cerate, and do not be persuaded to take anything else claimed to be as good. It is but 25cents per box at Richardson's Drug Store.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

HORACE FAIRBROTHER."

Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MRS. EMMA GEDNEY."

159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."

Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."

Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."

Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.
