Wind & Water. TAKE NOTICE!

JEFFREY ARTEY, Mgr. of Wind Mills and Pumps, Markdale, Ont. If you need a pump of any kind, and will favor me with your order, I will guarantee to give satisfaction every time. I can suit you in either Iron, Brass, Porcelain, or Galvanized Iron.

TERMS—Repairing cash; new work short date approved notes if desired. Below I give a few testimonials: Dear Sir.—The two pumps you put in for me are giving me splendid satisfaction (one of them 66 ft. deep, the other 23). I am well pleased with them. JOHN PORTROUS, Flesherton.

MR. J. ARTEY, Dear Sir.—In reply to your's of the 12th inst., I would say that the pump you put in for me has proved very satisfactory, it being durable and very easy to work. Enclosed please find \$5, balance for pump. JAMES JOHNSTON, Flesherton.

SATISFACTION AT LAST.—This is to certify that I have had great trouble and expense with my well (55 feet curb) in regard to pumps until I got Mr. J. Arty to overhaul it; since then I have had entire satisfaction. My little boy, six years old, can pump with it nicely. ARTHUR JOHNSTON, Vandeleur, June 16th, 1890.

Dear Sir.—Your favor to hand enquiring how we got along with the Wind Mill. I might say we had no difficulty in putting it together. It is working splendid. The pump does its work all right. I like the working of the Victor Wind Mill very much. It works itself nicely in a high wind, and I think it far more durable than a wooden mill. N. DUXBURY, Meaford.

To JEFFREY ARTEY, Markdale: Sir.—The pump I purchased from you for 27 feet well gives complete satisfaction. It works with the greatest ease, for the quantity of water delivered, of any pump I have ever tested. I believe it is constructed on a simple and durable principle and not liable to get out of order. I could not wish for a better pump, and can, with the utmost confidence, recommend it. Wishing you every success I remain, yours &c., J. W. SPOURLE, Markdale. June 23, 1890.
