JEFFREY ARTELY, Mgr. of Wind Mills and Pumps, Markdale, Ont. If you need a pump of any kind, and will favor me with your order, I will guarantee to give satisfaction every time, I can suit you in either Iron, Brass, Porcelain, or Galvanized Iron.

TERMS - Repairing cash; new work short date approved notes if desired.

Below I give a few testimonials:
Dear Sir - The two pumps you put in for me are giving me splendid satisfaction (one of them 66 ft. deep, the other 23). I am well pleased with them. JOHN FORTHOUS, Flesherton.

MS. J. ARTELY, - In reply to your's of the 12th inst. I would say that the pump you put in for me has proved very satisfactory. It being durable and very easy to work. Enclosed please find \$5, balance for pump. JAMES JOHNSTON, Flesherton.

SATISFACTION AT LAST. - This is to certify that I have had great trouble and expense with my well (50 feet curb) in regard to pumps until I got Mr. J. Artele to overhaul it; since then I have had entire satisfaction. My little boy, six years old, can pump with it nicely. ARTHUR JOHNSTON, Vandeleur. June 16th, 1890.

Dear Sir - Your favor to hand enquiring how we got along with the Wind Mill. I might say we had no difficulty in putting it together. It is working splendid. The pump does its work all right. I like the working of the Victor Wind Mill very much. It governs itself nicely in a high wind and I think it far more durable than a wooden mill. N. DUBOIS, Meaford.

To JEFFREY ARTELY, Markdale:
Sir - The pump I purchased from you for 27 foot well gives complete satisfaction. It works with the greatest ease, for the quantity of water delivered, of any pump I have ever tested. I believe it is constructed on a simple and durable principle and not liable to get out of order. I could not wish for a better pump, and can, with the utmost confidence, recommend it. Wishing you every success I remain, yours &c., &c. J. W. SPROULE, Markdale. June 23, 1890.
