THE ADVANCE.

Every Thursday, FROM THE OFFICE, Sycdenham Street, - - Flesherton, Ont. TERMS OF SUBSCRIPTION:

RAILWAY MATTERS.

The following from the Walkerton Herald expresses the state of railway matters in this part of the dominion.

On Tuesday night a deputation from the Board of Trade met the directors of the Saugeen Valley Ry. Co. in the council chamber.

However diverse the views expressed, there was but one opinion as to the desirability of having a connection with the C. P. R. at some point or other, and all were willing to concentrate their energies to obtain such a result.

It will be seen by the above that matters are taking on a more tangible shape than they have seen for some time. Walkerton and the western towns desire and are bound to have connection with the C. P. R.

The Owen Sound Sun learns that the petition against the return of

Mr. James Cleland, M. P. P. for North Grey, will be withdrawn.

Methinks I hear the Owen Sound Advertiser and Times unitedly shouting 'Go, Lang,' but Joseph has got a gripe on the place and will hold it down.

A rather fair sized hallowe'en joke comes from Winnipeg. Somebody obtained access to a newspaper office late at night and telephoned to every doctor in the city that his presence was immediately required at that office.

It will be noticed that new arrangements have been entered into to supply Flesherton station with weekly services by the Methodist body of this place.

This reminds me that there are too many growlers and grumblers in our churches of to-day. When this class of people get thoroughly weeded out the plan of salvation will stand upon a sounder support than it does at present.

A late instance of the miserable influence of 'growl' has come under our observation. A certain church had unfolded within its mantle so many of these pessimistic pests that they were in the majority, and the church was almost constantly in difficulties.

ADVICE TO MOTHER—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth?

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria.

St. Lawrence Canals.

Notice to Contractors.

SEALED TENDERS addressed to the undersigned and endorsed 'Tender for the St. Lawrence Canals,' will be received at this office, until the arrival of the eastern and western mails on WEDNESDAY, THE 3RD DAY OF DECEMBER next, for the construction of a life lock, weirs, etc., at Morrisburg, and the deepening and enlargement of the Rapide Pitt Canals.

A map of the locality, together with plans and specifications of the respective works, can be seen on and after WEDNESDAY, THE 19TH DAY OF NOVEMBER next, at this office, and at the Resident Engineer's Office, Morrisburg, where printed forms of tender can be obtained.

In the case of firms there must be attached to the tender, the actual signatures of the full name, the nature of the occupation and residence of each member of the same, and further an accepted cheque on a chartered bank in Canada for the sum of \$6,000, must accompany the tender for section No. 1, and an accepted cheque on a chartered bank in Canada, for the sum of \$2,000 for each of the other sections.

The respective accepted cheques must be endorsed over to the Minister of Railways and Canals, and will be forfeited if the party tendering declines entering into contract for the works at the rates and on the terms stated in the offer submitted. The cheques thus sent in will be returned to the respective parties whose tenders are not accepted.

This department does not, however, bind itself to accept the lowest or any tender.

A. P. BRADLEY, SECRETARY, Department of Railways and Canals, Ottawa, 1th November, 1900.
