**Castles in the Air.**

Mankind unconsciously "buoy themselves up" by "building castles in the air."

Who builds no castles in the air  
Will see more cloudy skies than fair.

Prevent a man building castles in the air and he will burrow in the ground.

Who builds no castles in the air  
Inhabits bruin's wintry lair.

Thought builds more castles in the air than toil builds on the earth.

A castle builder in the air  
Is seldom given to despair.
