**APRIL, 1891.**

As this is the month to blow and puff about new Spring Goods, Large Importations, Daily Arrivals of Goods, etc., we claim the privilege of talking quietly to our customers and **Those Interested In** spring purchases. Every week our New Spring Goods are coming to the front for inspection. The first we might mention interests the men and boys, and consists of a heavy shipment of Hats in almost every conceivable style and shape, and feel sure we can fit any shape head or suit the most foppish gent in this section of country. Quality and price cannot fail to please. While examining our hats don't forget to inquire for Dress Shirts, Collars, Ties, Etc., also see our selection of Pantings, Worsted Suitings in Scotch and Canadian.

Don't think, Ladies, because we have mentioned the nice things for **The COARSER SEX** first that we have forgotten you. We try at all times to study your interests very closely, and several ladies **CAN** testify already to our fine assortment of Dress Fabrics, etc. A nice line of Colored Cashmere just opened, also cheap lines of Colored Dress Goods in plain and figures. One old lady remarked that our Print assortment made her fancy she was young again and living in the good old times. The quaint old patterns, not two alike, and so many to **CHOOSE FROM** is worthy of note. Lawns and Muslins, Embroideries and Laces, Gloves and Hosiery, Cottonades and Shirts, Lace Curtains and Curtinnettes, Scrims and Chintzes, and other articles too numerous to mention comprise **OUR WELL ASSORTED STOCK** of Dry Goods. Our Boot and Shoe Department is well filled with lines suitable for every kind of weather. It needs no commendation from us, for it has gained a reputation of its own. Any one who has purchased our Boots and Shoes knows where to get booted good and cheap. Fresh Groceries always on hand. Don't forget the place!

And  
That is, some people say it does but the point is as yet undecided and we are not sufficiently  
Pested to decide  
The momentous question.

The month of March was not a very Blythe one in South Grey. It was said, however, to be balmy in the vicinity of Hanover.

### Eugenia

*From our own Correspondent.*

Mr. John A. Williams met with a very painful accident one day last week. When chopping in the bush he struck his foot, cutting off one of his toes. Mr. J. B. Hogg, who is quite a surgeon, was at the store. They sent for him. He stitched on the severed toe, and it is doing as well as can be expected. It is a great loss to Mr. Williams at this season of the year.

Miss Maria Fenwick is home again after a lengthy visit with friends at Aurora.

Mr. George Meldrum has given up farming and is going out to Colorado to his brother, who has been there for some time. George's many friends are sorry he is going away. They all wish him good luck and prosperity wherever he may go.

Mr. Wes Pedlar is on the sick list this week.

Mr. Wm. Betts is around again as lively as a cricket.

Mr. McKenzie Duncan has opened up a first class general store. We can now boast of two good stores in Eugenia.

Mr. John Fenwick, with his brothers Joe and Thomas, have gone to the county of Peel to spend the summer. Joseph Walker went with them. There were some sorry hearts when they went away.

Wonder who the boys are who are trying to hold up Cairns' gully bridge so often.

Mr. Charley Jordan has gone to try his fortune in Toronto.

Sugar making and taffy parties are all the go now.

### Priceville.

*From our own Correspondent.*

Springtime is evidently near at hand, for the robin, blackbird and other feathered friends are again returning from sunny climes, to sojourn in this their northern home.

Politics to the west of us, politics to the south of us, but we presume that ere this sheet is published Gilbert McKechnie, Esq., will be M. P. P. for south Grey.

Several busy tongues seem dumb and eyes are cast down since the recent "recount" in Owen Sound.

Since we wrote last another old resident, Mr. Dougald McMillan, uncle to our councillor, has passed away from this earth. His remains were interred in the Priceville cemetery on the 21st.

The revival services held in the Methodist church since the 1st of March were brought to a close last week. Some 12 or 15 members were added to the church. At the close of the service in the Baptist church last Sabbath two young persons were baptised in the Saugeen, north of Durham Road street bridge.

The Sons of Temperance held an entertainment last Thursday evening. The inclement weather and bad roads hindered many from attending. Our advice to certain members of the above society is, let your chief aim be for the public good, and let self gratification be a secondary matter. It is sometimes "better to lead than drive." A house divided against itself cannot stand, but in "union there is strength."

Mr. A. Earnest has rented Dr. Ghent's former residence at the west end.

The Crown hotel was sold on Saturday for \$2500.

Mr. John Simpson, jr., has been very ill for several days.

Mr. John McAuley, the pioneer of Priceville, has been confined to the house the greater part of the winter, but we hope the balmy breezes of spring may have a salutary effect, and we hope to see the old gentleman around with us again as of yore for many a day yet.

### Flesherton Station.

*By our own Reporter.*

First maple syrup of this season's make came in last week, bought by Mr. McLunis.

Mr. Hogg, merchant, of Toronto, is spending a few days here on business and seems to stand the times, as he looks well.

Mr. J. Gilchrist has moved back to his old home in this place. We welcome Mr. G. and family to our midst.

Mr. D. McLeod is very ill with la grippe.

Mr. Hemphill is down with inflammation.

Miss Minnie Lawrence is down with inflammation.

Mr. Slatter shipped one car of potatoes last week.

Mr. and Mrs. Egan spent Sabbath with parents at Ventry.

Quite a lively time in bus driving. Crossley still takes the lead.

We are glad to learn that Mrs. T. Granger is getting somewhat better this week.

Miss Derby, school teacher, of Durham Road, is down with inflammation.

Mr. Wood is improving this week.

Miss Wauchob, of Meaford, is visiting friends here.

### McIntyre.

*From our own Correspondent.*

The farmers in this part are busy cutting wood, making maple syrup and making ready for the seeding.

Mr. E. Potts is busy taking the census for this part of Osprey, and Mr. Thos. Scott is engaged at the same business in the north end of the township.

The Osprey council met for the transaction of general business in McLean's Hall on Monday.

The Rev. Mr. Stewart, from Horning's mills, exchanged pulpits with Mr. Hughes on Sabbath last. There was a large turnout at McIntyre to hear Mr. Stewart.

Mr. Willie Muirhead and Mr. Hector McLean returned home from Michigan last week. They look hale and hearty and report good times.

Mr. Hector Bell has moved into his store in the village, having rented his farm to Mr. Veitch.

### Meaford Road.

*From our own Correspondent.*

Mr. S. Warling has rented a farm near Priceville and moved there with his family last week.

Mrs. G. Pitchard is at Meaford visiting her mother, who is very ill.

Mr. J. Brodie returned home from St. Thomas last week where he had been attending the annual meeting of the Orange Grand Lodge.

Mr. Abraham has been teaching a singing class here for some time past.

### Clark's Lightning

Liniment will relieve the painful torture of Rheumatism in the joints or muscles. It should be well rubbed in with the hand, and the part covered with a piece of flannel. The pain will cease with the first application, and its continued use will effect a marvelous cure. This remedy needs but a trial to convince the most skeptical that it is a wonderful preparation. Sold by all druggists; price fifty cents. Clark Chemical Co., Toronto, New York.

Have written that Clark's Catarrh Cure has relieved them, restoring perfectly every sense. Through gratitude they have consented that their names be published. Yet the Clark Chemical Co. will not use this means to advertise their remedy. They will not parade the sufferings of any one, or invade the sacred privacy of any home. Any sufferer from Catarrh will recommend Clark's Catarrh Cure, and that good word is worth more than the published certificate. Clark Chemical Co., Toronto, New York.
